efi *Quick Print Suite*

# Take your print business to the next level

Harness the power and freedom with the Quick Print Suite

Finally, a 100% hosted print management solution combined with a flexible eCommerce solution designed specifically to meet your needs. Work smarter, not harder and get back to your business.

Your business needs the flexibility to be able to grow and adapt to changing market conditions. Doing business online is essential while also managing order and production information. The Quick Print Suite provides you the freedom to quickly meet customer requests, respond to their needs, and produce jobs quickly and profitably with the industries first worry free, Web-enabled digital printing and business management solution.

- Web-enabled digital printing at your fingertips
- Manage your costs and print processes, not an IT department
- Deliver jobs faster with fewer errors

EFI Quick Print Suite

New revenue generation
- Cross media marketing
- eCommerce Web storefronts

PrintSmith Vision

Production
- Integrated DFE & job management

EFI™ Quick Print Suite

The Quick Print Suite combines both EFI PrintSmith Vision™, as the core MIS, and the EFI Digital StoreFront® into one flexible, Web-enabled solution that is fully integrated with the EFI digital front end Fiery® server.

Certified workflows

- Automation of key processes in Web-to-print and print production

- Improve output management and turnaround time with Fiery integration

- Elimination of manual touchpoints provides faster throughput

- Streamlined operations to reduce turnaround times

- Confidence that your system will work seamlessly together today and in the future

- Quick, out-of-the-box deployment to get you up and running easily

Hosted for ease and mobility

- Cloud-based solution reduces IT costs and software management

- Mobile access to maintain operational visibility from anywhere you are

- Worry-free maintenance and upgrades completed by the EFI experts will keep you focused on your business and customers, not IT processes

eCommerce at your fingertips

- Easy and simple-to-use storefronts makes eCommerce affordable and manageable

- Functional, modern prebuilt site templates make getting started fast and easy

- Expandable, so you can add options and additional sites as you grow

"All the information I need to grow my business to levels I never though possible is right there. PrintSmith is critical for me and my business,"

ROBERT MAYER, OWNER
GRAPHIC TECHNOLOGIES

EFI fuels success.
